

2006 Historic Preservation Awards: Nomination Form

Guidelines

- >Nominations must be for projects, programs, and activities in RI.
- >Projects must have been completed after 1/1/01.
- >Nominations of properties owned by others must include a letter of permission from the owner.

Categories

Service Awards:

Antoinette F. Downing Volunteer Award: to an individual volunteer preservationist who has made a contribution through a lifetime of effort or through a single significant project

Frederick C. Williamson Professional Award: to a professional individual or organization which has made a contribution to preservation over a period of years or through a single significant project

Historic Preservation Awards:

to historical/preservation societies, private individuals or families, business/corporate entities, or municipalities for outstanding contributions in the areas of:

Project: for outstanding restoration of historic buildings, landscapes, and/or sites

Artisanship: for exemplary skill in the use of tools and materials for historic preservation

Education: for educational initiatives including adult or children's programs, tours, publications, or media presentations

Planning: for community preservation programs that are innovative, comprehensive, or particularly responsive to community character and issues

Stewardship: for commitment to, and long-term care of, one or more historic buildings or landscapes

Advocacy: For efforts to raise awareness and mobilize support for historic places

Notes:

>Attach no more than three additional sheets of supporting documentation and no more than three photographs, slides, or a CD with images. Photographs, slides, and CDs will be returned in May 2006.

>For nominated persons, include a summary of achievements and dates.

>For nominated projects, include property owner's name, property's architectural and historical significance, project summary, and project dates. Projects must be completed to be nominated.

>For nominated planning and educational work, include program summary.
